

## CTE Equity: Strategies, Promising Practices, and Resources

A collection of some of the most promising, helpful, and comprehensive strategies, practices, and resources that address the needs of special populations in CTE.

---

### General/Comprehensive Resources

---

[Strategies for Special Population Success: Practical Tips and Tools for Educators](#). National Alliance for Partnerships in Equity (NAPE).

[CTE Special Populations Information Briefs](#). Association for Career & Technical Education (ACTE).

[Making Good on the Promise Series](#). Advance CTE.

---

### English learners

---

#### Strategies:

1. Incorporate a student's native language into lessons to help them learn the content as well as develop their language skills.

[Working with English Language Learners - Best Practices for CTE Teachers](#). Texas A&M University.

[New York City's English learners often struggle to graduate, but here's how some schools buck that trend](#). Christina Veiga. Chalkbeat New York.

[Supporting ELLs in the Mainstream Classroom: 12 Strategies for Language Instruction](#). Kristina Robertson. Colorín Colorado. WETA.

[Educating English Language Learners: A Review of the Latest Research](#). Diane August. American Federation of Teachers.

2. Allow for longer processing times for English language learners and respect their silent period as they develop their language skills.

[Instructional Strategies for ELL Students](#). Angie Haro. Education Service Center Region 19, Texas.

[6 Strategies to Help ELLs Succeed in Peer Learning and Collaboration](#). Colorín Colorado. WETA.

[6 Essential Strategies for Teaching English Language Learners](#). Emily Kaplan. Edutopia.

3. **Build on a student’s background knowledge in their home language to help them connect their existing skills to the new language.**

[How to Develop a Lesson Plan that Includes ELLs](#). Colorín Colorado. WETA.

[Tips for Teaching Middle and High School ELLs](#). Michelle Lawrence. AdLit.

4. **Develop strong academic language skills and teach key vocabulary.**

[English Learners in STEM Subjects](#). National Academies of Sciences, Engineering, and Medicine.

[CTE Supports English Language Learners](#). Association for Career & Technical Education (ACTE).

5. **Use a variety of visual aids, such as closed captioning, realia, and glossaries.**

[Support English-Language Learners with Scannable Technology](#). Monica Burns. Edutopia.

[10 Strategies That Support English Language Learners Across All Subjects](#). Joanna Schwartz. Edutopia.

---

## Homeless individuals

---

### **Strategies:**

1. **Be familiar with the definitions of homelessness and required actions outlined in the McKinney-Vento Act.**

[Improving Equity in and Access to Quality CTE Programs for Students Experiencing Homelessness](#). National Center for Homeless Education. Advance CTE.

[Supporting In-School and Out-of-School Youth Experiencing Homelessness Through Education and Workforce Partnerships](#). National Center for Homeless Education.

[Education for Homeless Children and Youths Program Non-Regulatory Guidance](#). U.S. Department of Education.

2. **Encourage extracurricular activities to foster student engagement and work to eliminate barriers to participation such as fees, transportation, or supplies.**

[In School Every Day: Addressing Chronic Absenteeism Among Students Experiencing Homelessness](#). National Center for Homeless Education.

[Ensuring Full Participation in Extracurricular Activities for Students Experiencing Homelessness](#). National Center for Homeless Education.

3. **Provide additional support for food insecurity, such as food pantries.**

[How 6 school districts are using fresh funding to help homeless students](#). Matt Zalaznick. District Administration.

[Five concrete ways schools can support homeless youth](#). Tim Grivois-Shah, Ed.D. CITY Center for Collaborative Learning.

4. **Help students experiencing homelessness obtain necessary health examinations and records.**

[Ensuring Full Participation in Extracurricular Activities for Students Experiencing Homelessness](#). National Center for Homeless Education.

[Education for Homeless Children and Youths Program Non-Regulatory Guidance](#). U.S. Department of Education.

[In School Every Day: Addressing Chronic Absenteeism Among Students Experiencing Homelessness](#). National Center for Homeless Education.

5. **Understand the effects of homelessness-related trauma and provide appropriate counseling.**

[Supporting College Completion for Students Experiencing Homelessness](#). National Center for Homeless Education.

[Supporting Students Who Are Experiencing Homelessness](#). Ronald E. Hallett, Linda Skrla. American Federation of Teachers.

[Supporting the Education of Immigrant Students Experiencing Homelessness](#). National Center for Homeless Education.

---

## **Individuals from economically disadvantaged families, including low-income youth and adults**

---

### **Strategies:**

1. **Provide food assistance to reduce food insecurity and improve focus in school.**

[Research identifies link between food insecurity and unengaged learning](#). University of Texas at San Antonio.

[Discussion of "Nutrition and Cognitive Achievement: An Evaluation of the School Breakfast Program" by David E. Frisvold](#). Chloe Gibbs, University of Virginia. Center for Poverty and Inequality Research, University of California, Davis.

[How to Help Low-Income Students Succeed](#). Matthew Lynch. The Edvocate.

[Poverty and Its Impact on Students' Education](#). National Association of Secondary School Principals.

2. **Assist students and parents in understanding the college admissions process and financial aid options.**

[Strategies for Helping Economically Disadvantaged College Students](#). Dr. Timothy M. Renick, Georgia State University. Texas Higher Ed Leadership Conference.

[Strategies to Support Economically Disadvantaged Students](#). Brittany Boston. Illinois Center for Specialized Professional Support.

[Moving Beyond Access: College Success for Low-Income, First-Generation Students](#). The Pell Institute.

3. **Offer experiences such as talks or field trips to help students connect with positive role models, especially people who come from similar backgrounds.**

[Activities and Strategies to Enhance Student Achievement and Address Perkins Performance Measures](#). Nebraska Career Education. Nebraska Department of Education.

[5 Concrete Ways to Help Students Living in Poverty](#). Wynita Harmon. The Art of Education University.

---

## Individuals preparing for nontraditional fields

---

### **Comprehensive Resource:**

[Nontraditional Career Preparation: Root Causes & Strategies](#). National Alliance for Partnerships in Equity (NAPE).

### **Strategies:**

1. **Intervene early to kindle and sustain interest in STEM fields, especially among girls.**

[New Formulas for America's Workforce 2: Girls in Science and Engineering](#). National Science Foundation.

[National Girls Collaborative Project \(NGCP\)](#).

[Empowering Educators to Recruit and Retain Women in STEM and Career Technical Education](#). National Institute for Women in Trades, Technology and Science.

[SciGirls](#). Twin Cities Public Television, Inc.

[STEM Equity Pipeline](#). National Alliance for Partnerships in Equity (NAPE).

## 2. Assess and correct curricular bias.

[Project Implicit](#).

[Gender Equity Tip Sheet](#). Project Enter, University of Missouri-Columbia; National Alliance for Partnerships in Equity (NAPE).

[Tools and Guidance for Evaluating Bias in Instructional Materials](#). Region 8 Comprehensive Center. Comprehensive Center Network.

[Reducing Stereotype Threat in the Classroom](#). Bettina J. Casad, Iowa Science and Mathematics Teacher Educators Summit. National Alliance for Partnerships in Equity (NAPE).

## 3. Ensure students have access to positive role models in nontraditional fields and enable mentoring.

[American Association for Men in Nursing](#).

[IGNITE Worldwide: Inspiring Girls Now in Technology Evolution](#).

[MenTeach](#).

[Million Women Mentors](#).

[MentorNet](#). Great Minds in STEM (GMiS).

---

## Individuals with disabilities

---

### Comprehensive Resource:

[PIPEline to Career Success for Students with Disabilities: Root Causes & Strategies](#). National Alliance for Partnerships in Equity (NAPE).

### Strategies:

#### 1. Implement Universal Design for Learning (UDL) practices.

[The Universal Design for Learning \(UDL\) Guidelines](#). CAST.

[Key Questions to Consider When Planning Lessons](#). CAST.

[Universal Design for Learning](#). South Carolina Center for Teaching Excellence.

[Making Your Curriculum Accessible to All Special Populations: Applying UDL in CTE Settings](#). Dr. Lakshmi Mahadevan & Dr. Rick Peterson. Texas Education Agency.

[Universal Design for Learning and the CTE Classroom - Webinar Series](#). Illinois Center for Specialized Professional Support.

2. **Design accessible educational materials using POUR guidelines (Perceivable, Operable, Understandable, Robust).**

[Designing for Accessibility with POUR](#). National Center on Accessible Educational Materials.

3. **Increase the participation of individuals with disabilities in STEM fields.**

[DO-IT \(Disabilities, Opportunities, Internetworking, Technology\)](#). University of Washington.

[AccessSTEM](#). DO-IT. University of Washington.

[AccessComputing](#). The Alliance for Access to Computing Careers.

---

## Military-connected youth

---

### Strategies:

1. **Understand and mitigate the challenges of high mobility for military-connected students.**

[Mitigating the Impact of School Mobility: An Effective Practices Model and Guide for Educators](#). Military Child Education Coalition and the Center for Public Research and Leadership at Columbia University.

[The Challenges of Supporting Highly Mobile Military-Connected Children in School Transitions - the Current Environment](#). Military Child Education Coalition and the Center for Public Research and Leadership at Columbia University.

[Education Revolution. Their Right. Our Fight. What You Need to Know About Military Kids in Your Schools](#). National Military Family Association.

[Helping MilKids Soar Webinar Series](#). Military Child Education Coalition.

[Educator's Guide to the Military Child During Deployment](#). Educational Opportunities Directorate of the U.S. Department of Defense.

[Advocating for Military Children: A Resource Guide for Educators and Community Partners](#). National Guard Bureau Family Program.

2. **Ease transitions of military-connected students to new schools by implementing uniform administrative practices across states and streamlining record transfer.**

[Interstate Compact on Educational Opportunity for Military Children](#). Department of Defense Education Activity.

- [A Guide for Schools and Local School Districts](#). Department of Defense Education Activity.
- [Compact Rules](#). Military Interstate Children’s Compact Commission (MIC3).
- [Virginia Military Interstate Compact Commission](#). Military Interstate Children’s Compact Commission (MIC3).

[A Study of the Purple Star School Designation Program: Summary Report](#). Military Child Education Coalition and the Center for Public Research and Leadership at Columbia University.

3. **Help military-connected students adapt to new school environments and make friends by establishing peer-to-peer outreach programs.**

[Student 2 Student® \(S2S™\) Program](#). Military Child Education Coalition.

[4-H Military Partnership](#). 4-H Military Partnership.

4. **Support and enhance partnerships and communication lines among military installations, school divisions, parents, and communities.**

[Promising Practices](#). Military Impacted Schools Association.

[Department of Defense School Liaison Program](#). Department of Defense Education Activity.

[How School Liaisons Help Students Realize Education Goals and More](#). Military OneSource.

---

## Out-of-workforce individuals

---

### Strategies:

1. **Invest in programs that develop strong links between education, training, and the job market.**

[Work-Based Learning Tool Kit](#). National Center for Innovation in Career Technical and Education (NCICTE).

[Apprenticeship Works - Education and Training for Rewarding Careers](#). American Institute for Innovative Apprenticeship.

[Creating a Successful Bridge Program: A “How To” Guide](#). Illinois Bridge Initiative. Illinois Community College Board.

[Jobs for the Future \(JFF\)](#).

2. Engage in industry sector initiatives; develop partnerships among employers, educators, and other workforce stakeholders to identify and address the workforce needs of particular industries within a regional labor market.

[Tuning In to Local Labor Markets: Findings from the Sectoral Employment Impact Study](#). Sheila Maguire, Joshua Freely, Carol Clymer, Maureen Conway, and Deena Schwartz. Public/Private Ventures.

[Encouraging Evidence on a Sector-Focused Advancement Strategy: Two-Year Impacts from the WorkAdvance Demonstration](#). Richard Hendra, David H. Greenberg, Gayle Hamilton, Ari Oppenheim, Alexandra Pennington, Kelsey Schaberg, and Betsy L. Tessler. MDRC.

[Connecting People to Work: Workforce Intermediaries and Sector Strategies](#). The Aspen Institute.

3. Seek to meet the needs of both employers and workers through innovative worker support programs.

[The 2Gen Approach](#). Ascend. The Aspen Institute.

[Center for Justice and Economic Advancement \(CJEA\)](#). Jobs for the Future (JFF).

[Job Design Framework](#). National Fund for Workforce Solutions.

---

## Single parents, including single pregnant women

---

### **Strategies:**

1. Provide flexible attendance policies and learning environments to allow students time for childcare.

[Student Parent Success Initiative](#). Institute for Women’s Policy Research.

[The 2Gen Approach](#). Ascend. The Aspen Institute.

[Most Pregnant and Parenting Students Don’t Graduate. Here’s How One Rhode Island High School Is Helping Its Teens Beat the Odds](#). Kate Stringer. The 74.

2. Provide on-site childcare or connect students to childcare services through information and transportation.

[State of the Field: Two-Generation Approaches to Family Well-Being](#). Ascend. The Aspen Institute.

[Helping Pregnant Teenagers](#). D. Bluestein, M.E. Starling. Western Journal of Medicine.

**3. Offer parenting classes.**

[Teenage Parents and their Educational Attainment](#). Texas Comprehensive Center.

[Activities and Strategies to Enhance Student Achievement and Address Perkins Performance Measures](#). Nebraska Career Education. Nebraska Department of Education.

---

## Youth who are in, or have aged out of, the foster care system

---

### Strategies:

**1. Understand the effects of high mobility on student learning and work to reduce the barriers to transferring schools to support continuity in education.**

[California's Students in Foster Care: Challenges and Promising Practices](#). Dion Burns, Daniel Espinoza, Julie Adams, and Naomi Ondrasek. Learning Policy Institute.

[Serving Students in Foster Care: Implications and Interventions for School Counselors](#). Hannah Brinser and Addy Wissel. The Professional Counselor.

[Closing the Achievement Gap for Students in Foster Care](#). University of Northern Colorado.

**2. Get to know the backgrounds of students in foster care and work to provide a safe, connected space and positive relationships with students.**

[Supporting Students Living in Foster Care](#). Rebecca Alber. Edutopia.

[10 Ways Teachers Can Help Students from Foster Care](#). John DeGarmo. Tinybeans.

**3. Understand the impact of foster care on a student's ability to attend class or submit homework, consider flexible homework schedules, and revise disciplinary actions, such as suspension, to reduce additional time out of class.**

[Pipeline to Success: Supporting California Foster Youth from High School to Community College](#). Educational Results Partnership. California College Pathways.

[Foster Care and Education: How Foster Care Involvement Affects Educational Outcomes](#). Partners For Our Children.
